RE: PUBLIC OPEN HOUSE MEETING

Hello,

You are invited to attend the Public Open House Meeting for the Baker Avenue roadway improvements project on June 1, 2016 at the East Wenatchee City Hall meeting room located at 271 - 9th Street NE from 4:00 pm to 6:30 pm.

The City along with PACE Engineers will present the proposed improvements identified for the project. Following the presentation those interested in discussing the project and possible impacts to their adjacent properties can meet with the City and the Engineers and talk through those concerns and related construction impacts.

If you are unable to attend the Open House Meeting you can contact one of the following to discuss your concerns with project:

Greg Prezoldt, PE, City Engineer
